Dear Mr. Katen:

This is to advise that your request for 53-foot trailer access from I-85 at Oxford to Crown Crafts, Inc. south of Roxboro is approved. The approved route is described as follows:

US 15 from I-85 south of Oxford, Granville County, northward 1.5 miles to SR 1195 (Oxford Loop); SR 1195 (Oxford Loop) from US 15 westward and northward 2.3 miles to US 158; US 158 from SR 1195 (Oxford Loop) westward 22.0 miles to SR 1700, south of Roxboro, Person County; SR 1700 from US 158 southward 2.0 miles to US 501; US 501 from SR 1700 southward 3.0 miles to Crown Crafts, Inc.

You may proceed to use this route immediately. All weight limits that exist along this route must be observed.

The Premier Quilting terminal on SR 1648 (Knotts Grove Road) in Granville County is within three miles of the National Truck Network (I-85). Therefore, the portion of the requested route between that terminal and I-85 may be used by STAA dimensioned vehicles without NCDOT authorization.

Yours very truly,

J. M. Lynch (b) HMS)
